

## **ASGO Bowel Resection and Cytoreduction Pre Conference Workshop**

Saturday 15<sup>th</sup> & Sunday 16<sup>th</sup> May 2021

Mater Hospital & Medical Engineering Research Facility (MERF), Brisbane

**Course Convenor:** Naven Chetty

**Sponsored by**

# Medtronic

The ASGO Bowel Resection and Cytoreduction workshop is aimed at CGO Fellows and Gynaecological Oncologist seeking more experience in some cytoreductive techniques.

This is a cadaveric workshop that will cater for eight participants, with a ratio of two per cadaver.

The course will offer hands on practise in cytoreductive surgery with specific attention to upper abdominal and bowel surgery.

**Faculty:**

- Naven Chetty - Gynaecological Oncologist
- Russell Land - Gynaecological Oncologist
- Marcello Nascimento - Gynaecological Oncologist
- Jim Nicklin - Gynaecological Oncologist
- Mehan Siriwardhane - Hepato Pancreato Biliary Surgeon
- Joy Chakraborty - Colo-Rectal Surgeon
